“ Aline kept us on our toes and we are sure going to miss her! She could captivate any of us with her many stories; some sad, some hilarious, but all were entertaining. Aline loved playing Bingo here at the Cordell Christian Home. At times while she was in the lobby, she'd say "Take me to Bingo", and we'd get her there pronto. She would be so excited when her numbers lined up, she'd holler "Bingo! loud enough for everyone to hear. She'd collect the stuffed animals she'd win. Terry would have to thin them out once in awhile, to make room for more. When it was warm we would take her outside if she wanted to go. Each time she' d wear her big brimmed hat, and sunglasses. Because of this classic look Lola would call her "Hollywood", and Aline would giggle. Terry, and Darrell were so very attentive to her, and always here for her. We have been blessed to know Aline and her family.
Thank you Aline for the memories we will always hold you close to our hearts. With Love, Lola, Vickie and Ronda

“ One day I was sitting in the lobby, someone pushed Aline out of the dinning room, I went over to her and asked if she had gotten enough to eat. She told me, " I ate enough to keep me from being hungry". We sat and talked for awhile. Then she told me she sure was ready for a nap. Aline was a pretty good story teller. I am so happy I got to know this sweet lady. Rest In Peace my friend.
