“ *Grandma, I love you so much! Life without you just won't be the same. I'm gonna miss you so much! I have so many great memories of you, my mom and I playing Yahtzee and 10,000 into the wee hours of the morning, us shopping til we dropped and all of the stories you had to tell from days that were hard for you but made you the strong lady that everyone loved so dearly. There is no way for you to ever know how much I loved you grandma. Thanks for everything you did for me always. Until I see you again you will be always in my heart and on my mind. Give everyone in heaven a hug from me and especially my dad who I know was waiting there to give you a big hug!*
