“ *Asa
You and all your family, your mom and dad included, were a very large part of my childhood. You, Joann and the boys were always supportive and kind to me. And when I did some of the things I did you corrected me as needed. The boys and I were great friends. Even though we have not had much interaction for many years, I have thought about all the Jenkins quite frequently. I will truly miss you . Thank you for your love and friendship. Love and prayers for your family.
