

## Ashleigh Marie Paige Robertson

November 11, 2004 - January 10, 2022

Ashleigh Marie Paige Robertson, 17, sunset and she gained her wings on January 10th, 2022 at her home in Lawton, OK where she resided with her "NaNa and PaPa". Ashleigh's sunrise occurred on November 11, 2004 in Chickasha, OK. She was born to Tommy and Jessica Robertson. Due to life circumstances Ashleigh and her sisters lived and was raised by their aunt and uncle, who later became just NaNa and PaPa. Ashleigh attended Chickasha Public Schools for a short period of time and then the family moved to Lawton, OK where Ashleigh attended Lawton Public Schools from grade school to high school where she was presently a student at Eisenhower High School. Ashleigh had the most outgoing personality, the biggest smile and the biggest heart I've ever seen. When she loved you, you knew it. She loved with her whole heart. She was also the spicy child. Never a dull or boring moment when she was around. She was also very funny. You couldn't help but laugh at her little sayings or jokes even when you may be angry at her. When she entered a room you knew Ash was there. She had a booming personality and was always true to her own self. She would say "this is me, too bad if you don't like it". From a very small child Ashleigh faced numerous issues in her life, first being that she lost her mother at a very young age followed by many things that would challenge Ash throughout her so very short life. However, Ash continued pushing her way forward. She was one of the strongest, most loving people and the most loyal person you could ever hope to meet. She was also a fabulous nurse. She loved taking care of people. Ashleigh had so

many friends, she was constantly on the go, she loved spending time with friends, listening to music and just "chilling" and TikTok. So many people loved Ashleigh. Stories could go on forever, even though she was only here for such a short time before God decided to take her home. She created so many memories for all that loved her. She loved TikTok and we are left with so many of those that will always bring a laugh from her. Ash was a NaNa's girl, even though of course with advance of teenage years the usual teenage angst, Ash returned to NaNa and PaPa, who was Aunt Pat and Uncle Rocky. She was a bright and shining light in our lives and now we are left with this world a whole lot dimmer. Ashleigh gained her wings while at home in her bed with loved ones in the home with her. Though we never had the chance to say "goodbye" I pray that she knew how loved she was, knew she was home. She was preceded in her sunset by her mother, paternal grandparents: John Frank Robertson and LouAnn Robertson; maternal grandparent, Donnie Robertson; paternal uncles; Gary Robertson and Rickey Robertson; maternal uncle Donny Robertson, aunts; Margaret Teeter and Wanda Lane and a very special cousin who was more like a sister, Makayla Taylor and grandfather Chris Richardson. She is survived by her father, Tommy Robertson and his wife Patti of Clinton, OK. Rocky and Patricia (NaNa and PaPa) Cantwell of the home. Paternal grandmother, Lydia Robertson of Chickasha. Four sisters: Danielle Clark of Lawton, Victoria Robertson of Norman, Hannah Robertson of Cement and Miranda Roberts of Lawton. Four brothers; Chris Robertson and wife Desiree of Chickasha, Joey Robertson and Tara of Chickasha, Jeffrey Robertson of Norge, Rocky Lynn and Codi Cantwell of Lawton.
