“ To James Truly. Your words of comfort mean so much. No one has written such meaningful words for a man that meant so much to his family. He was our hero. When you were around Daddy he made ya feel like you were the only person receiving his knowledge and love. He is sorely missed.

“ I have so many great memories of Poppo reaching back many many years. I never met another man that I loved more. He was smart, witty, compassionate and kind but mostly loving. He was a good man to everyone. The kindest soul you would ever meet. Heaven truly gain an angel and he will be missed by so many until we are reunited with him and Momo. Poppo, thank you for loving me, thank you for being a great Poppo to Brittnee and the best great great Poppo to Lilly. We will never forget you because you touched our souls with your love. Until we meet again, I love you Poppo!!!

“ *The Law Enforcement community lost a wealth of knowledge with the passing of Ballard. I had the honor to work with Ballard for several years at the Anadarko Police Department. I never worked with anyone who had a memory as sharp as Ballard's, he was 36 years old my senior but his memory was twice as sharp as mine! If you were looking for someone you could go to Ballard and he could tell you the persons' family history and who they were staying with. Ballard was a very knowledgeable Police Officer but more than that he was very respected and well-liked by those who worked with him and even those he had to arrest. May the Creator bless and comfort his daughters and family during this time of sorrow.*

Respectfully,
James (Jay) Truly
