“ I worked with Betty for many years. She loved her students and was always doing special things for them. She had a beautiful laugh and we enjoyed talking and laughing about getting older. She was a great asset to Anadarko Public Schools and left many memories. I send my condolences to the Galindo family. I pray that God will give you strength through the coming days.

“ I will forever remember Bettie as a kind and gentle soul with a great sense of humor. She was a caring and dedicated teacher to her special needs students. She could also manage to find the humor and joy in most of the day to day events that took place within the school. Charles and I send our sincere condolences to all members of Bettie's family. You are all in our prayers.
