

Beverly Cramer

August 18, 1966 - February 10, 2022

Beverly Cramer - born 18 Aug. 1966, earned her wings on 10 Feb. 2022. Wife to Butch, mother to Carl, Christie, and Tonya. And the bestest Nana to Preston. How do you sum up one's life in a quick blurb-it's hard and does not even begin to capture a glimpse. Feisty, blunt, goofy and caring are some of the words to describe her. She was one of the best people to ever grace this planet. If you personally knew her then you know what a hard loss this is. She lived a great life and will be missed more than any words that can be written here. Funeral services will be at 11:00 A.M., Tuesday, February 15, 2022 at the Smith Funeral Home Chapel in Anadarko. Rev. Colin Stallcup will officiate. Burial will follow in the Memory Lane Cemetery in Anadarko. Services are under the direction of Smith Funeral Home, Anadarko. Condolences may be sent to the family at www.smithfuneralservices.com

“ I met Beverly when I was in the 5th or 6th grade. Once at a sleep over that I didn't stay at long but the other was when she took me to my first concert (Hanson). We stood outside for hours! She had 4 preteen girls and Carl that she was looking after. That was the first time I saw an amazing mom. Mine was not, but I thought maybe good moms where only on television until that day. Anyway, I didn't know here long or well but she shaped an image in my mind of what I wanted to be one day. The world lost an amazing woman.

“ As I lay here with so may memories of my cousin Beverly I keep seeing her playing with her long braids, Tanta always kept her hair in 2 braids as a little girl. We not only shared our adulthood but we have so many memories as little girls. I watched the little girl With braids grow up to be a loving mother and grandmother. She never asked for anything and always willing to give everything. She lived for her family and those she loved. I do and will miss you cuz
