“ You should be disgusted on how your grandma and u all have treated his family. We were all good to Lucille . And it's not a bout the dang blanket. It's about all the things that have been taken from his children. And don't ever insinuate that they r to blame. And the part about Lucille on the phone calling for help and Hank saying hang it up is a lie. And besides. He said he was fine. Have a blessed life and leave his family alone too.

“ Judy,  
I am so sorry for your loss. We've talked often about your dad and your mother and I could see the love you felt every time their names came up. You have been so worried about your dad for many months now. It is a shame you were not notified so you also could have been there with him. My heart is so sad for you. My love and prayers to you, Mark, Xzan and Henry's family. In time I hope you think of all the fun times you had together and remember the love he felt for his children. It would have been an honor to know your father.

With love, Mitzi

“ Judy, Mark, Xzan and Henry, I am so sorry for the loss of your father and grandfather. Judy often talks of the love that you all have for him. He must have been a wonderful man, to have raised such good and caring people. I hope you can take some comfort in knowing that he is in a much better place and can now be re-united with your mother and grandmother. I am so sorry that you didn't have the opportunity to say good-bye to him, but I am certain that he knew and felt your love. I hope you can find some peace in that.

“ I WASN'T GOING TO LOWER MYSELF TO YOUR STANDARDS BUT YOUR DISPICABLE COMMENTS CAN NO LONGER BE IGNORED! MY GRANDMOTHER IS THE MOST WONDERFUL CARING CHRISTIAN WOMAN THAT YOU COULD EVER EVEN HOPE TO BE! SHE TOOK VERY GOOD CARE OF BILL! AS FAR AS NOT BEING NOTIFIED - HOW MANY TIMES WAS HE IN THE HOSPITAL THAT YOU WERE NOTIFIED BUT DID NOTHING? HOW WAS ANYONE TO KNOW THIS TIME WOULD BE DIFFERENT? SHE WAS TOLD HE WOULD BE GOING HOME ON MONDAY! MAYBE HE WOULD STILL BE HERE IF HANK AND JUDY WOULD OF LET MY GRANDMA CALL THE AMBULANCE TO COME GET HIM! SHE HAD THEM ON THE PHONE AND HANK TOLD HER TO CANCEL THE CALL!IF YOU WANT TO CONTINUE TO BLAME SOMEONE MAYBE YOU SHOULD POINT THE FINGER AT YOUR OWN!!! AND HOW CHILDISH TO ARGUE OVER A BLANKET?! THAT WAS GIVEN TO THEM AS A GIFT IF YOU WANT TO BE AN INDIAN GIVER THATS YOUR CALL. BILL WOULD BE SO ASHAMED OF HOW YOU HAVE TREATED AND TALKED TO MY GRANDMA! THE ONLY PERSON THAT HAS BEEN BLINDSIDED IS MY GRANDMA THINKING YAL WERE GOOD PEOPLE! AS FAR AS THE PICTURES GO - IF YOU HAD TREATED MY GRANDMA NICER YAL COULD HAVE CAME IN AND GOTTEN THE PICTURES. YAL ASKED FOR THEM TO BE SET OUTSIDE! SHE DIDNT HAVE ANY BOXES. SHE COULD HAVE SET THEM OUT AND LET THEM BLOW AWAY! BE GRATEFUL YOU EVEN GOT THEM! ALL THESE COMMENTS WILL NOT BE VIEWED BY MY GRANDMOTHER AND ANYTHING ELSE YOU HAVE TO SAY IS A WASTE OF TIME IF YOU ARE PUTTING IT ON HERE FOR OUR FAMILY TO SEE BECAUSE WE WILL NO LONGER BE LOOKING AT THIS!

“ I think it is so sad that people are continuing to drag this out. Bill is gone now and I'm sure that he would NOT appreciate the hatefulness and disrespect that is going on within his family. It would absolutely break his heart. Since it looks like all of the people leaving rude and nasty comments on here are adults, how about we ALL go by the Golden Rule and "Treat Others The Way You Would Want To Be Treated." Furthermore, this is a MEMORIAL page, not a "attack each other" page. As a person looking at this situation from a mutual stand point, I think it's time that everyone just let it go!! It's getting ridiculous. Thank you for your time!!

“ I miss you so much already. I have known and loved you my whole life and my heart breaks that I wasn't able to tell you goodbye. My heart is also broken because I was completely blindsided by someone who not only said they loved you but me as well. I would have never in a million years think that things would have ended this way and i am left thinking was this in the works all along? I am saddend when I think how much you loved her and probably never knew what she was planning all this time. You are such a giving man and it is sad that some people prey on good hearted people like you. I don't understand how your kids (Hank, Judy and Xzan) were never afforded the opportunity to say goodbye and to tell you they loved you, though I rest assure you knew they did. It wasn't her place to decide that a phone call wasn't necessary. You can't tell me someone was too busy to pick up a phone. Please don't be sad when as you see how this all played out in your absence, instead be proud that the truth all be it and ugly truth was revealed. I am so proud of the man you were and admire so much your love for the Lord. He made you with such a pure heart. I will try to move on without holding hate in my heart because that is what the Lord would want, it will just be hard because I now know how you were taken advantage of. You never deserved that, and she never deserved you. I love you forever and always. Love me

“ Grandpa, You're funeral was beautiful!! I know you would have been proud!! We miss you soooo much but we all know you are in a much better place! Brother Embrey did such a wonderful job on preaching you're funeral. I think he got the message across that you would have wanted him to preach. There were so many people who know how kind, loving and what a giving man you were! I miss you Grandpa Bill!!! Do what you do best, take it easy!!!

“ Grandpa, I can't express in words how much we all miss you. You did so much for ALL of you're family and we are so very appreciative of everything you did for us. You were so in love with my Grandma and it showed to everyone that you were around. You had a smile and a "witty" remark for everyone you came into contact with. You loved and served God and it was apparent to everyone you were around. Grandma Ogle is having such a hard time with all of this. And I appreciate the family who is being so kind to her. She loves you so much. Anyone who was around you knew how much you loved her and appreciated everything she did for you, you made sure to let everyone know. I love you Grandpa.

“ Grandpa, first and foremost I love you! I am comforted in knowing you left this world knowing how much I love you. I am glad that you and I remained so close. I appreciate all of our talks and will cherish each memory of them. I am glad that you are in a better place and in the arms of your true love Minnie. I know she welcomed you with open arms. I will miss you Grandpa but I know I will see you again. Just wrap your loving arms around Dad, Aunt Judy and Aunt Xzan the will feel your presence with them. Love, Rochelle

“ Grandpa I Love You! I wish i could have seen Grandma Minnie's face when she welcomed you into Heaven. You will be forever missed and always loved. It saddens me that your kids and us grandkids werent even given the opprotunity to tell you goodbye, that was something that we cant get back, something that was taken from us, but its ok, because this isnt goodbye, this is "we will see you later". you have given me the best gift a grandfather ever could, MY DAD. you raised an amazing son, and im so blessed to have him as my father, Thank you and Grandma for that, just know that even though we will be sad, we will seek peace in our faith. Dont worry about Dad, he has mom and us kids and we will help him thru this difficult time, I will always love you. Love Robin, (grandma Minnie's Mini Me)

“ Grandpa I heard ur service was nice. I'm sure it makes u proud to know that your 3 children were all there although they weren't really treated as well as I'm sure u would have liked them to be. We love u grandpa. But we are all hurt by how things have been done to Your children. If it makes Lucille feel better keeping the blanket Judy got you then fine but she didn't have to discard the pictures your kids wanted into a garbage bag and set out like trash for them to pick up. I'm so glad you are not here to see how your children have been treated especially by someone who claims to have loved you. May you be at peace now grandpa and we only pray that we can all find peace in the way things were done.

“ Bill, we were lucky to have known you these past 20 years through your daughter Judy. You were always there to help us fix anything around the house and to always share a beer when you were done. The kids always called you McGyver because you could do anything!!! We will miss you and pray you are at peace now.
