“ *Remembering crazy times. You always were the coolest. Never had to wonder if you were really a friend. You always showed it . So funny. Thinking about the back pond Bonfires. We were goofy. I will always keep that last phone call you made to me close in my heart and in my memory. Just out of the blue you called just to say hello and see how I was doing. Such a wonderful person. I Love you my friend. RIP.*

“ God saw you getting tired and a cure was not to be. So he put his
arms around you and whispered "come with me". With tearful eyes
we watched you, slowly fade away, although we love u dearly we
could not make u stay. Your golden heart stopped beating,
hardworking hands at rest God broke our hearts to prove to us he
only takes the best. We are gonna miss u Carol RIP girl! 💖 cassie
