“*Mr. Jones, Kris, Brian, Bear and Mandy, I just want to send my condolences to you and the rest of the family. Your mom was someone that I met decades ago, loved, considered family, and even though I moved on since then, never forgot about her, especially being that we shared a birthday. She was a very special woman, loved by many.,, and definitely the "rock" of your family. I can't imagine how you feel, but I wish the family all the strength in the world to help you through your loss. Family is everything, and this doesn't change that. Love yall!*
