“ I am so sorry for your loss and mine Clyde is one of my cousins that I dearly loved. It has been way too long since we seen each other and now I will have to wait until I go to heaven. He will be fishing in a heavenly lake there I am sure because that seemed to be what made him most happy. May God comfort and guide us all. Love and prayers to all his family and friends

“ Hello, I am the food administrator at Oakridge ministries in Anadarko. I offer my sincere condolences for your loss. Clyde was an awesome man of God who came to my food bank to talk to my customers waiting in line. Me and him would pray for those in need and minister to those who needed it. Clyde would meet me at Walmart to help pick up the donated food to bring back to the camp to distribute. Clyde sensed a need to carry out the groceries for the elderly and disabled which offered him a chance to minister more. I wish I had more time to get to know Clyde but he is in a better place with God!! He will not be forgotten in my heart and I will continue to pray for his family.
