“ I met Mrs. Guynn when her daughter and my good friend, Kim, invited me over for a slumber party. This was so many years ago, I dare not count. Needless to say, Kim and I were kids. Mrs. Guynn was so nice and friendly to me, I remember being amazed. Kim and family, I am sorry for your loss.

Sincerely,

“ Momo, has been a wonderful person to me and it has been so hard to say good bye. I will always remember her sweet smile and laugh along with the wonderful meals she would prepare. (even a plain ham sandwich tasted better at her house) I will keep so many memories with me of us sitting around the dining room table drinking sweet tea and talking about current events going on or her telling stories of the girls when they were younger and how she met Poppo.

Prayers to the family for this great loss in our lives. Momo was the best and will be greatly missed. Love you always and forever Momo!

“ I miss you so much. I keep thinking i can go to Anadarko on my weekend off to see you, but I can never see you again in this lifetime. I have caught myself trying to call you. You loved us all so much, and we all have wonderful memories of you. I know you and grandma are having a good time, and you are seeing all that were waiting for you. I love you mama always.
