“ Lord remind me how brief my time on earth will be. Remind me that my days are numbered, and that my life is fleeing away. Psalm 39:4 I am here on earth for a little while. Psalm 119:19.

While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal. 2 Corinthians 4:18

We Love you Dallas... and you will be missed. Just as we think of Daniel everyday...we will think of you ...Your memory will always be here.

“ Dallas, my student, my friend, words can not describe the pain and emptiness I feel in my heart. You were a great student with so much passion for Law Enforcement and an inspiration to your fellow classmates! You will forever be missed by those who knew you and those who were blessed to have you call them your friend. We will never know why God had called you home but I know that the Lord has a plan for each and every one of us!

Dallas, my dear friend you will forever be in my heart and I'm sure that we will meet again, until then my friend I will cherish your memories in my heart!

“*"AFTERGLOW", I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when day is done. I'd like to leave an echo whispering softly down the ways, Of happy times, and laughing times, and bright and sunny days. I'd like the tears of those who grieve to dry before the sun, Of happy memories that i leave behind when day is done. "My angel"-love- Jesus took my son my baby home to be with him in heaven, my heart will always hurt and cry you will surely be missed my son, your mom-gave all my love to you to the end -me & you buddy- grandma and grandpa family and a lot of friends u had, and touch a lot of lives so proud of you, everything that you have did or done u-touch our hearts,crystal. Do not stand at my grave and weep. I am not there. I do not sleep. I am a thousand winds that blow. I am the diamond glint on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you wake in morning hush. I am the swift uplifting rush. Of quiet birds in circling flight. I am the soft starlight at night. Do not stand at my grave and weep. I am not there, i don't sleep. FRom best momz,day day his son, and klinekole side*
