“ I knew this lady as Sue or Sunshine to all of us in the 70's and 80's, we danced, visited, and and ate together a lot. She moved to Anadarko on 802 W. Alabama St then where I had lived prior. She was a joy to be around and always smiled. I'm sorry I didn't know she was sick and knew she was in Gracemont, but didn't have address or phone number or last name. I am so sorry for this loss to the family. We were great friends. Loved it when I saw her in town. God bless you. Will miss Sunshine, our beautiful Gracemont friend of many yrs. Luv her.
