“ *My precious Family:
God has been so good to us by giving Aunt Flarra 93 years to be a blessing to our family. I Praise His name for allowing the special time spent last Sunday when she acknowledged each of us. She was tired and we know we will see her and all our relatives very soon. We find comfort in knowing we descend from many powerful praying Kiowas who talked of these trying times. God is still in control and He will send the Comforter like all His promises He gave us. Keep the Faith.*

“ *I am so sorry for your loss. Please accept my condolences. When I am grieving due to the death of a loved one, I am so appreciative that our loving God promises to sustain us if we throw our burdens on Him (Psalm 55:22). I also appreciate the hope of a resurrection God gives to us (John 5:28,29). I know Flarra will again be enjoying her friends/family once resurrected. I hope these scriptural thoughts (which I found at jw.org) bring you the comfort and hope they bring me.*
