“ After a weekend of heartbreak, I opened tonight's paper and there is Jannette with a "Let's see" look - it made me smile. I want to thank you again for keeping us updated on all she went through. I know it had to be hard to do, because you were going through it all with her, but it meant so much to those of us who couldn't be there, but loved her and hoped for the best for her. Thanks again. Love ya'll
