“ *I haven't seen Joann but a few times in our adult life, but she sure was sweet to her little cousins back in Bristow Cove, Alabama. I thought she was so beautiful. Joann and Judy would tell us ghost stories about the house they lived in. RIP my sweet cousin. Love you Sandy*

“ *My grandma was the most loving caring person I know. Always worried about her family and did anything she could to take care of them. Life will not be the same without her. I already miss her so much and feel just heartbroken. I know she is in a better place with grandpa and can see again and enjoy life again.*
