“ Prayers for the entire family. I had the pleasure of working with Johnny while grading peanuts at Birdsong in Ft. Cobb. He was so much fun to work with. He worked for Birdsong and he did give us graders a hard time in a fun way. Debbie, I have known you for a long time and my heart goes out to you. Of your three children, Kim is the only one that I have been able to keep in touch with. Kim, my heart breaks for you! You have overcome so many obstacles and I know your Dad was very proud of you for what you have done. I know he was very proud of his boys because he always talked about his children when we worked together. Cherish your memories! Take one day at a time. I know that the Bellamys are well respected people in Ft. Cobb and anywhere they go. God had a plan for him, which none of us will ever understand. Take one second, one minute, one hour and one day at a time. You never get over the loss of your loved one but you learn to accept it. I knew Frances and Marvin Bradley greeted him at the gates of Heaven! What a wonderful reunion it must have been because he got to join his Father again. Love to all and if you need anything, I am just a phone call away. Love and prayers and may God guide you through this difficult time.
