“ I walked in the park this morning where I met Singing Bird several years ago. We visited on many occasions and I was always touched by his gentle, kind and up lifting manner. I was honored when he decided to called me Wind Walker.

*I was so terribly sorry to hear of his passing. He is, and will continue to be missed dearly.
Sincerely, Diane Fields*

“ I was one of Joseph's park friends. I always enjoyed visiting with him when I saw him. He would be standing there like a tree, one leg straight up in the air. I wouldn't even notice him until he said Hi. He was friendly and upbeat. Copasetic was a favorite word of his. Unfortunately, when my dog died, I didn't go to the park as often, so I hadn't seen him in a while. He will be missed.
