“ *My father, Loyd Hefley, was a first cousin of Judge. I met Judge on two occasions at funerals of other family members. I remember spending the night at Uncle Bill's in Rocky Ford when I was about twelve. Judge told me that if I would visit him, he would help me identify some old pictures that I have. Now it is too late. I am sad for that. To his family, you have my sympathy. Lynn Hefley Smith*
