“ *Kathy and I met in 1966 when our husbands were in the Air Force. We hit it off right away and our husbands, Bill and Jim did too. We had a wonderful time until the Air Force moved us around. We went home to OK with them and they went to NY with us. What wonderful families they have: kind, generous. You always think you have forever, but you don't. Kathy was the friend I could call whenever I needed her, and she could do the same. I think you'd be lucky to make 1 friend like her in a lifetime. I feel blessed to have known her! Mrs. Jameson you did a wonderful job!*

“ My heart and prayers go out to Kathy's family that she loved so deeply. Kathy and I started to school together when we were 6 years old and we kept in touch over the years. It was such a special relationship because we not only loved each other, but we also shared a love of Jesus Christ as our Lord and Savior. What a blessing she was in my life! I will miss her more than words can say, but I look forward to the day I will see her in Heaven.

“ My heart holds deep sadness for the loss of Kathleen all of you family & friends feel. My heart holds much love for you as I imagine all the wonderful memories you have of times shared with her. My heart is comforted in knowing she knew & treasured the love of Jesus & expressed it with the way she lived her life & treated others. I'd give you a big hug if I could. Her hugs were ones you still feel when you think of the many kind things she did for you. I have had many good friends in my lifetime; but she was the best!
