“ I remember the time we sat his kitchen table. It was the first time I ever drew anything in my life. I ask if he was able to draw a t- rex dinosaur, he said yes, he drew it without a reference, I was amazed! He handed me the pencil, told me I could do it too, so I gave it a shot, and it was like a gift from heaven, I knew how to draw! He guided my way so much more than he ever knew. I love and miss him deeply.
