“ Dennis and I were cousins, but we were also the best friends to each other. We spent a lot of time together when we live close to aunt Lorraine and uncle Bobby the time we spent together, I will never forget we had so much fun and truthfully loved each other very much he said to me one time when I saw him That he cried for three months when we moved to Oklahoma City that special bond I will always cherish. May God bless the family. He was just one special person. I will love you always and never forget you, Fredia Cox(Shook)
