“ Lee was four days older than me. We graduated together and later worked together at East Grade where she helped Ms. Whorton love on and teach children with special needs. I don't think anyone was a bigger Dallas Cowboy fan. You will be missed, Lee.

“ Gramma Lee was a part of our lives since the moment her first grandson was born over 14 years ago. Every special occasion, every milestone for the boys she was loved to the moon and back. Yes she even visited us along with cousin Tanner in South Dakota. She will be greatly missed. See you in the Stars!!
