“ Will always remember the time growing up at Grandma Helen's (old) house. Exploring, fishing and swimming on the creek on her property. Also, Uncle Shorty house where we stayed for awhile and he would take you, Louis and I to check his throw lines at night and sitting around the camp fire listening to old stories of the Indian ways.

“ Lennis and Larry spent a lot of time on the farm when they were little boys. We used to ride the horse we had and one time Lennis and I were on the horse and Larry swung out of a tree and knocked us off. Will be thinking of all of you and be in prayer. Love, Aunt Janis (Edge) Dutton

“ Lenny, A top notch genuine good guy with a caring sensitive nature a heart of gold. You shared your smile and quirky sense of humor that always invited laughter! The way you would end your sentences with phrases like "And Stuff Like That" Preferring not to learn how to text, you called us (old skool) to chat & check up on us down here in Lawton especially when inclement weather forecasted always concerned about our well being. I'm selfish because I miss your physical presence here on this earth ❤️ but I have and carry memories of you in my heart 4 ever more 🐻 A loveable teddy bear and the best big brother "And Stuff Like That." Love Allie 💕💕
