“ *My condolences to the family. I was fortunate enough to work with Lenora at Ski-Boy. It was always a good time; she was so kind and funny. She had the best stories and gave the best advice. I always see her big smile when I think of her and Jack.*

“ *I love Lenora. She was my Friend. A loving Person who sacrificed her life to care for my Dad at home. I savored the time I spent, talking and laughing with her. I will never forget her soft voice, her hugs and the secrets she kept between her and I, during late night weekends. Oh my goodness. She was One of my Mom's who seen me grow up. I loved her positivity.*
