“ I remember many times running up to all of my Uncles as they come home on leave from the Korean conflict. Uncle Lyman was one of them. My grandma, Angeline & mama, Marjorie L. Brown would have a big home cooked meal for all of our Uncles and would they wolf it down! My mama could remember almost all of their military numbers by heart: Uncle Gene's, Uncle Ted's, Uncle Billy Jo Sargent's, Uncle Billy Jo Siverhorn and Uncle Lyman's!! I guess she memorized all of those numbers, because she wrote to them while they were over seas. Uncle Lyman was the only close cousin/ brother left for quit a long time, they grew old being able to experience road trips and other gatherings. I love my Uncle so very much and I know that he is in the welcoming and loving arms of our Creator, family members and our ancestors. May peace be with you all. ❤️🙏🌸😊

“ Lyman Kionute has always been close to our family. He made a bow and arrows for our father, Paul Edge, to place in his casket and that has always been a great memory and comfort for us. He called us girls his sisters and that was always special. He taught and demonstrated the best of what it is to be Caddo throughout his whole life. We send our condolences and love to the family during this time. May eternal light shine on him always. Rest now, Brother. The family of Paul Edge Sr. - Carol, Cheryl, Janis
