“ My dearest Nanny, how I Love You oh so much and will deeply miss you here on earth with me and the laughs, the cries, and your voice. Not only are you my grandma but also like a mother to and my Best Friend. However, I know that you are rejoicing in Heaven with our Heavenly father, Uncle Ronnie(which you longed for), and the rest of our belated family and friends that are in Heaven. I'm truly thankful and blessed to of had you as my Nanny and now my Guardian Angel. You will never have to suffer from pain, loneliness, or anything. I'm glad we never left each other questioning our love and concern for each other. May you Rest In Peace. Till the day we get to be together again for eternity in Heaven. You will Always be in my Heart and on My Mind. Love Always Joanie.....xoxox

“ Dearest Miss Sue, I will sure miss the stories Joanie would share with us after she got off the phone with you, and the little conversations we shared on the side. Your upbeat cheerful voice and attitude always put a smile on our face. the comfort we have is that we know your with with the Lord. Rest assured Joanie will always have our love and we promise to keep her as our own, so don` t worry. I thank God for you and the love you gave her. Not only were you her Nanny but you were her friend. I know she will miss you. I pray that your family finds peace.... Looking forward to the day I get to meet you Heaven.
