“ Dear Family,

I am so sorry to hear of MD's passing. He was such a lovely man and although I only had the chance to connect with him briefly in the past year or so, he touched me deeply with his kindness. His brother Joe was my grandfather (my father's father). My father has very fond memories of MD and of MD and June visiting family. Since he was a child my Dad has thought of MD as the sweetest man he's ever known. I will always be grateful to MD for sharing the Price family tree and history with me. He took the time to mail me photos and a letter which I will always cherish.

My thoughts are with you all. I can only imagine how heavy your hearts are now, and hope you will find comfort in the happy memories of MD that you can keep now and always.

With love,

Janet
