“ Oh Annie! I will miss you so much. I'll never forget when I lived with you and Lee at Vandenberg AFB. You taught me to cook; we spend many nights with you on one couch and me on the other, watching TV and falling to sleep. Lee knew every night he'd have to wake us up and tell us to go to bed. Those were great time. You always looked like a million dollars with your hair done and your makeup on. For 66 years you were part of our family and like another sister to us. You will be greatly missed but I know you and Lee are happily together in Heaven with both your families that went before you. Love you with all my heart.

“ *So many wonderful memories with my sweet Aunt. I'll always remember your laugh and smile. Playing Yahtzee with you was so fun! The toilet paper you wrapped around your hair at night. You always looked put together and pretty. You always made me feel special. You will be missed but have comfort in knowing we will see you again. ❤️*
