“ *Cherakee, that is what you were known to our family as. You made 2 beautiful children. I pray you will touch your boys from heaven and help guide them to a life they deserve to live. We have many happy memories of you in the family, and some not so happy. But that is life. I always believed you were a good person inside your heart, your demons just took control of you too often. Those demons can no longer touch you. You are in God's arms now. Love and hugs to all the family.*
