“ *My Relatives and Friends:
As we reflect upon our dear loved one's life legacy, we first give honor and glory to our Heavenly Father for 54 blessed years. The seeds of faith and living a Godly-life were planted years ago by a precious, loving Mother. That faith has allowed our loved one to endure many life challenges. His unfailing love and dedication to be of service to his people will forever define the man we were privileged to call brother and friend. God Bless you all.*
