

## Michael Wyatt Robert Murdoch

May 2, 2008 - December 28, 2020

Heaven gained an Angel when Wyatt walked through those pearly gates on Monday, December 28, 2020. Michael Wyatt Robert Murdoch was born May 2, 2008 in Fresno, California to Danielle Marie Murdoch. Wyatt loved animals and playing with his trucks, especially his fire truck. He had quite a fascination with fire trucks. He once started a fire at his home so the firemen would come and he could see them. Needless to say, it worked! He was a very loving and kind hearted young man. He loved everyone and everyone loved him. Wyatt participated in and enjoyed attending the Special Olympics. Something he looked forward to every year. His short time on earth will leave an everlasting impression on all his family and friends. Left to cherish his memory is his mother, Danielle; brother, Chase; sisters: Makina, Alannah and Danica; uncles: Dylan, Dustin and Travis; aunts: Trisha, Elizabeth, Nichole, Kathy and Debbie; grandparents: Jan, Robert, Becky and Bob; great grandma Gigi along with other relatives and friends. Wyatt is preceded in death by his uncle Chad and great grandparents, Robert and Janie. Private family services will be held at a later date. Family requests that in lieu of flowers, please honor Wyatt by donating to the Smith Funeral Home, P.O. Box 675, Anadarko, OK 73005 or call them at 405-247-3701.

“ Sweet precious Wyatt! It is obvious he made such a huge impact on so many lives. His huge beautiful smile and the best hugs certainly made my day. I can hear his sweet voice demanding to use the phone to call Mrs. Baxter himself. It gives me peace knowing he is our angel watching over everyone. His body is healed and he is sitting next to Jesus. You will be missed sweet boy. Prayers for everyone who will miss him especially his family. 🙏

“ Wyatt came into BPS like gangbusters! He immediately began stealing hearts and spreading both joy and humor. He also showed his stubborn streak on occasion (which was really just strength of will) and sought to be helpful to others all the time. He had such a fun personality that it was hard to resist him, and easy to love him. We will miss him and always remember him. ❤️

“ Oh my Wyatt. My heart is broken for his precious family. Wyatt was my sidekick at school. He helped me during all of our assemblies, and stood by my side. He helped me during our car rider pick up line every day too, waving the cars through. We shared the same frustration with a daycare van that always took too long, and he'd look at me and say, "Here comes the van, Mrs. Shaw" then sigh and roll his eyes. It made me laugh daily. I miss his sweet smile, our talks during recess, and his kindness that intimated daily across our school to every child. His smiles and daily hugs made my heart happy. No doubt he's smiling down now. He made a huge impact in a short time, and I'm better for having known him. ❤️❤️ My love to his family. Brenda Shaw

“ My heart is so sad. I will miss Wyatt and his sweet smile and bright eyes. I'll miss the way he would give me big hugs after any break or just a short weekend and run to me and say my name as he ran to me. Heaven received an angel. I know Wyatt is in God's hands and eating a big piece of cake! I will miss you Wyatt. Thankful to have been your teacher. Love you! Prayers for healing for your family!!

“ I will always remember his bright eyes, big smile, hand in a constant state of motion, and giving two thumbs up for how great his day was. He would even try and trick me into giving two thumbs up to his mom until Mrs. Baxter or Ms. Brittany gave a look and told me the truth. 🤔 He was a loving child who always came up to give me a hug and would get so excited about Special Olympics and lunchtime! Wyatt, I hope you have found comfort and peace as you've left a hole in my heart. Love and prayers to the Murdoch family.

“ I have so many memories of Wyatt but some that stand out more than others. When I would pick him up from the cafeteria he would rush to recess to gather up all the girls. He would group them all up and make a plan. He loved those girls, especially Caroline Woodson. When I gave him a hard time about it he would just grin at me and say "what?" When we "walked" anywhere it was more of a jog with Wyatt. 😂 He would turn around and look at me and wave his hand and say "come on" there was no slow speed for him. In the afternoons he would rush to get me so we could go out and move the barricades for car line. After we moved them he would high five the drivers or give them a thumbs up then wave them forward to move into place. Once a mom gave him a QT card for being so good at it and he was thrilled! He always rushed to hold the doors open for females and would say "ladies first" he would sometimes let the door shut before I got there and giggle at me. He was a stinker but it was all in good fun. As I read the other comments it makes my heart so happy to see how many people got to experience the same joy with Wyatt. You couldn't meet him and not fall instantly in love with that smile. I can only imagine how exciting it was when he got to heaven and how many stories he's already told Jesus. Thank you Wyatt for giving me part of your joy. I will never forget it. And thank you Dani for sharing Wyatt with me and so many others at Bixby Schools.
