“ *I really wish I could've gotten to know you. My last memory of you was when I was 5 yrs old -1980- I had a ear ache so bad I was crying. The only thing that made it go away is when you would lay down next to me. Rest in peace*

“ *Could not be there, but I am going to miss Lance. I enjoyed meeting some of Lance's sons at his old watering hole. That pool hall in the sky is going to have some great competition.*

“ *Although circumstances would not allow us to attend services, we would like to offer our deepest sympathy to the family of Lance Kopepassah. Lance offered a special gift of lightening the load in our lives with his abilities of weaving stories and the sharing of his abundant humor. We would like to extend the invitation to any of the family that travel through Edmond to allow us to share our memories of the many adventures spent with our friend. He will be greatly missed.*
