“ I will always have special wonderful memories of Reta. Since she lived so close to my parents, I saw her all the time. Then when she moved to town and my Mother moved to Lawton, I would bring Mother to see her often. We always had a fun time doing the garage sales and freezing corn and shelling blackeyed peas. She was a hard worker, but made it fun. I really missed her when she moved to Georgia and called her often to visit. She will be missed and is now in heaven with Bill and her other brothers and sisters. Deepest sympathy to all her family.

“ For a while, Oreta and Bill were our next door neighbor if you could call over 1/4 mile away next door. Curtis and Billy rode the school bus with our kids. She was a special lady and we know that you, her family, are special too. May God give you peace about her leaving, and grace to adapt to the adjustments. She has left you a legacy. Carry on! Our prayers go with you as we have also walked this road.
