“ Pat married my brother, Bill, when I was 6 yrs. old. She was so good to me and always treated me like I was important. I started babysitting Angie, Terry and Donna when I was 11 y/o and the kids were 2,3 & 4, so I got to see her fairly often. Once I put on her foundation, thinking she wouldn't notice. When she saw me, she very gently told me it was okay to use her makeup but that I would need a couple of shades lighter. I looked again in the mirror and then realized what a mess I had made of my face. My world was brighter because she was in it. RIP Sweet Patsy.
