“ Pat was a very good person and never saw a stranger, I worked at the bank when she worked for the McKee Indian Store therefore I saw her often and she allways had her smile.

“ Pat was a long time friend and I will miss her greatly. We worked together in church where she was a faithful member. We used to go to Braum's for a hamburger every Friday for supper and enjoyed movies and eating out with other church friends. She was smart, friendly and loyal. When we had bake sales she used to bring her pumpkin bread which was delicious.
