Perry Joe Tilley was born July 26, 1958 to Richard and Sally Sumner Tilley in Fort Cobb Oklahoma. He passed away April 18, 2019 in Lawton Oklahoma. Perry was well respected and loved in his professional life. He served in the United States Navy for 3 years. He then spent the majority of his adult life working as a journeyman drywall technician. Perry never failed to make new friends at the numerous construction projects he worked on and had a story to tell about each one. In 2012 he began a new career as part of the original Caddo County 9-11 center working as a dispatcher. He was very proud to be a part of that team and truly enjoyed his time there. In 2014, Perry took a dispatch position with the Bureau of Indian Affairs. He felt a great sense of purpose serving alongside and assisting the law enforcement officers in both positions. He built many friendships at both the BIA and Caddo County that he considered family. Perry was known as Perpaw to his grandchildren, who meant the world to him. He loved being a grandpa more than any other role in life. Whether it was fishing, shooting guns, playing video games, or just being silly together, his grandchildren are blessed with many memories of him that they will continue cherish.
