

Quinten Ray Whitlock

May 14, 2017 - June 10, 2022

Quinten Ray Whitlock Brother to Tylan Wayne Whitlock Son of LaNisha Raylene Reddick and Tyler Ray Whitlock Grandson of LaDonna Marie Reddick, Martin Ray Noland Grandson of Carrie Charlton, Kevin Branom Nephew and cousin to many loved ones 05/14/2017-06/10/2022 Quinten was born in Lawton at Comanche Memorial Hospital in Lawton, he spent majority of his life growing up with his parents and loving grandparents near Fort Cobb Lake. He always wore a smile on his face. He was happily blessed with a brother when he was around the age of 1 1/2. They were truly the match to of been made. There was never a dull moment, they made the most of being each other's family. Quinten and his family had lived in Chickasha, moved to Carnegie, and eventually found themselves somewhat settled in the town of Fort Cobb, where he there attended Fort Cobb Broxton Schools for his completion of Pre-K. He was a very bright spirited student who made the most of every day. He enjoyed spending his time teaching his brother new things, cooking with family, racing, playing with race cars, and going on adventures; especially when he could have one of his superhero outfits on. Quinten passed on to heaven in the presence of family who loved him dearly, with only the best of intentions he had made his way into the lake of Fort Cobb with the only intention to reach the floating splash pad to play. The good Lord took his life that day, but how blessed are we to know he's still in the presence of family who love him dearly.
