“ So very sorry for your loss, Rheda was one of the first people I met at Dr Bennitts. I really looked forward to seeing both of you. She always had a hug for us and when I ran into her in Cordell got another. Such a beautiful soul. She left a lasting impression on my heart. My thoughts and prayers are with you all.

“ I have great memories of Aunt Rheda. I always enjoyed going to see her and her family because there were always plenty of animals around! Her laugh was contagious and when she smiled you simply couldn't help smiling back. Prayers for Uncle Bud, Randy, and Candy.

“ From your old friend RJ, we all called you Rita B. I worked alot of years but our friendship went beyond just being Co workers, we traveled alot of places together we laughed together,cried together and prayed together. I loved her family and she lived mine. I enjoyed alot cook outs at the Butler home even went to family reunions and to the lake together. Rita and I often talked about her Bud about how he was such a good husband, father and grandfather that he was. She praisedan him highly and during her last years, he was a wonderful caretaker for his wonderful Rita . Rita loved her Candy and Randy at spoke often of their good qualities. The grandchildren were the icing on her cake oh how she loved them . When I visited Rita lately she wanted to go be with Jesus and she is exactly where she wanted to be in hid arms.I love you Rita B, I'll miss you and will join you again some day!

Your Friend Forever,
R.J.
