“ Rick was known & loved by so many in this little town. He will be sorely missed. A benefit of some sort is in the works to dedicate a street corner in Rick's name. Sorry for your loss.

“ I met Rick when I started working at Searchlight. He was an awesome guy. We would talk a lot & he would tell that he was just a crazy ole hippie. No matter where he was at, if I saw him we always spoke to each other. If he was riding down the street, I would honk at him. He is & will always be greatly missed. RIP Rick (Crazy Ole Hippie). Prayers for the family. ??????

“ Hippie will be missed by many in the great town of Hobart. He was a true friend to all. My husband often visited with him many mornings over a cup of coffee. I recall many stories he told me about his life. May you rest in peace friend & ride the best Harley of all in heaven!
