“ I worked with Bob at Ft Sill in the DOL Dept for approximately 25 years and him being one of the best electronics technicians on staff!! we became the best of friends and he made a yearly trip to Duncan for us to make sometimes a 2 day trip to the World's Largest Garage Sale taking time out of the day only to grab a quick burger and a cold drink as it was the middle of summer...as we got to old to continue this ritual, we talked on the phone from time to time...we will miss him and RIP BOBBY DEWAYNE!!! “ Beverly and I offer our condolences to the family of Robert. We worked together at Ft. Sill, and he was a mentor of mine. He was a brilliant electronic technician and never refused offering suggestions to my questions about electronics. Rest in peace, Robert.
