

Roberta M. Pledger

June 24, 1930 - April 15, 2020

Roberta M. Pledger, 89, passed away on Wednesday, April 15th, 2020 in Binger, Oklahoma. She was born on June 24, 1930 in Fort Cobb, Oklahoma to Francis Ray "Frank" and Lillie Florence (Sailing) Bailey. She graduated from Fort Cobb High School. She married Hubert Pledger in 1948 in Wheeler, Texas. She enjoyed going to church, singing, cooking, sewing and gardening. She was a devout member of the Oney Baptist Church and never missed a Sunday. Even after her husband passed, she continued to farm peanuts, wheat and cotton and was dedicated to her land and her cattle. She was a strong willed woman with more determination than stubbornness, and those traits allowed her to take care of her family and her land. Even when shaking hands meeting someone, she always put her hand on top. Much like her life she always wanted to maintain the upper hand. She enjoyed cooking large holiday meals and always had 2 rules: no skins on the potatoes and cranberry sauce out of the can (which only she loved). Her famous cherry pies will live on forever in our memories. Her new journey takes her to a wonderful place in Heaven where she will be socializing, singing, gardening and be joyously reunited with her husband. She is survived by: 2 sons: Jackie Lee Pledger, Albert, OK Michael and wife, Pam Pledger, Albert, OK 4 Grandchildren: Arthur Ray Pledger Delta Dawn Pledger Clifford Pledger Christina Lynette Pledger Great-Grandchildren: Amy, Delong, Reshel, Hailey, Chelsey and Trace Great-Great-Grandchildren: Saphira and Mera She was preceded in death by her parents, her husband and her sisters, Dorothy Price, Hazel

“ I grew up with Roberta and her family. She lived across from Highland Methodist Church and we all went there together and made a lot of memories together. Her sons were just a few years older than me. Roberta was a very fun and a good hearted person. She loved God and her family and friends. I always will remember and smile when I think of her.

“ Aunt Roberta was such a feisty and fun person. She and I could talk for 1 hour and catch up on everyone and definitely solve many problems. When I had Cheryl my daughter she was so excited to dress her in FRILLY things as she had only boys. Love you so much. Carol Jarel Funk

“ *What can I say Roberta I learned so much from you. You took a city girl and helped her to become a country girl! From farming, gardening, feeding cattle (feeding cubes, my favorite) and etc. The other night I was chatting with one of the nurses at Carnegie that along with Dr Hill saved Roberta when she was having her stroke. We decided Dr Hill could not go without her she sure loved him. We all know she was a fiesty soul, but we know she loved God and now shes no longer suffering!*
