“ Debbie, Becky, Vicky and Family! My most sincere sympathy to you in the loss of Shirley. There are no words which I am able to express at this time as the hurt is still so deep and unexpected to me too. I am so thankful she was in my life from childhood and we had such really good times in all ways. God be with you and know I am praying for strength, courage and peace for you all.

“ *Becky, Vicky, Debbie, and Family, I was shocked and saddened with the news of Shirleys passing. What a wonderful lady. Everyone says that when someone passes but in this case it couldn'tt be more true. She didnt have it easy in life, but she made it easier for those around her. The thing I remember most about Miss Shirley is laughter. Her laughter was contagious. When she was telling a story or a joke or someone else was, she would laugh and pretty soon the entire room would be in stitches. What a wonderful gift. What bittersweet memories.*

*Please know that you are all in our prayers. The loss of this wonderful lady will be felt for a long time.*
