

Skye Anice Salazar

On November 9, 2022, Skye passed away unexpectedly in Lawton OK. Skye was 25 years old. “ My heart and prayers go out to the family of Skye Salazar. I didn't know her well as an adult, but let me tell you what I did know. She had the biggest heart and when she was in the 4th grade she was a little momma to my son Brayden Huckaba. She always helped him clean and organize his desk, she made sure he stayed on task, and she always gathered his homework for him and made sure it made it to his backpack for home. Then the next day she would make sure he turned it in. Brayden was like his momma with severe ADHD and we were trying to find the right medication for him. No one asked her to do this, she didn't have a crush on him, she saw his struggle and that he had a need and she met it. Mr. Dyer always made sure they sat near each other so she could mother him. I hadn't seen her in about 15 or so years until last year when I took the kids to the dentist and she was working. I didn't even recognize her. She grew up and was so beautiful. The first thing she asked was "how's Brayden?" "I've always wondered where he was and how he was doing". We talked about her taking care of him in 4th grade and I'm so glad I got to acknowledge my appreciation for her that day. Rest in Peace sweet girl you will always be special to us.

“ Skye was an amazing person. We grew up as classmates together, played softball, basketball and soccer , and also cheered senior year together. We even played in the band together in our earlier years, we both played clarinet, and sat beside each other, I remember we were always competing for 1st chair every other week I would get second and she would get first or vice versa. She was really good at what she did, she had a mean arm at 2nd base in softball and was good at hitting that ball. Skye was very outspoken, and stuck up for those she cared about and wouldn't let anyone push her around. She was such a big part of the class of 2015, and she will forever be missed by everyone. To the Salazar family, I am so sorry for your loss, I send my condolences and prayers for you. Rest in Peace Skye.💕
