“ I have worked side by side with Stacia for the last 10 years. I've watched her fight cancer with strength & grace these last 2 years. She always had a beautiful spirit & I will miss her greatly. My heart hurts for Scott, Nellie & her family. May God bless you & give you peace.

“ I grew up with Stacia (and Megan). They lived right across the street from me when I lived in Farmington, NM. We used to play together under their cross-basement, I used to swim in their above-ground pool, jump with them both, and other neighbor kids, on their trampoline. We used to walk together to school, to Mesa Verde Elementary and Heights Jr High School. The Edwards family was like my second family. Stacia was always so kind, always had a great sense of humor and such a beautiful smile. I connected to her again via facebook after we both had moved away from Farmington, NM. I was so saddened to hear the news of her struggles with cancer and to hear of her final passing. She and her family will always hold a place in my memories. God speed Stacia. Until we meet again...may your soul rest knowing that you are no longer suffering and rejoice knowing that you have many family and friends who love you!
