“ This world has lost a wonderful loving and caring man. But the afterlife has received an angel. Stan always had a smile on his face. He always asked how you were doing and he listened. I will always be indebted to Stan for leading Jerry to accept Jesus as his Lord and Savior . May God be with Almeda, Andrea, and all of Stan's family and comfort you. As you read this Almeda know that Jerry and I love you and are here for you. God be with you..

“ I got to know Stan when I worked at the hospital pharmacy and then got the privilege of working some with him at Clinic Pharmacy in Chickasha. I am so shocked to hear of his passing. He was such a kind Christian man and deeply loved his family. Sad to hear he left us at such a young age. May God comfort his family at such a difficult time.

“ Stan was a godly man and wonderful friend. I have many great memories of Stan and his wife, Almeda, both at school and church. Stan was voted Spanish King the year I was voted Spanish Queen and I love the goofy photo of us in the yearbook. It makes me smile each time I look at it. Stan was always so kind and considerate of other people. Although I have not seen him or Almeda in many years, the warmth of their friendship lingers in my heart. I am so grateful to have known Stan as a friend and a brother in Christ. My prayers are with Almeda and their daughter as well as the rest of Stan's family. Almeda, as you read this, please know that I love you and I hold you close to my heart right now.
