*Today it has been 1 year since you went to be with Jesus. Me and the boys miss you very much. Often we reminisce about the love and awesome times we shared. We laugh, we cry, we hug. You will never be forgotten. I tattooed your name on my right forearm as a memorial in your honor. You will forever be my one true love my soulmate . I know I will see you again when my time on earth is done till then I'll keep our memories in my heart. We love you*

“ *My Dearest Tina,  
I know you will never see this, but I just wanted to tell you how proud I am of you. You served your purpose in life and your love for the Lord was evident in everything you did. You are never far from my thoughts and piece of you lives on in the hearts of all who knew you. Everywhere I look I see you, even when I look in the mirror I see you, I hear and I feel you. I miss you more everyday when I can't see you physically or hug you, I always remember what I was told "the Lord has promised us He will never leave us nor forsake us, & if our loved ones are with the Lord and the Lord is always with us, then our loved ones are never far away". I am comforted by that, because I know I will see you again one day, and I know you are resting peacefully, so sleep now sis, please be there to greet me when I cross over the river Jordan. I love you with all my heart my beautiful sister, until we meet again. love always to infinity. love your little sister JoJo.*
